

The background is a collage of three images. The top-left image shows a wooden patio table and chairs with white cushions. The top-right image shows a curved stone paver walkway with a mix of tan, yellow, and reddish-brown stones, bordered by green grass. The bottom image is a close-up of the same stone pavers.

BrettApproved
PAVING EXPERTS YOU CAN TRUST

Thank you for choosing Brett and a Brett Approved Installer. Here's what to expect next:

1. Now your installation has been completed, your Installer will provide you with your 5 Year Installation Guarantee.
2. In order for us to issue you with a 10 Year Product Guarantee, your Installer is required to register the job on our internal Brett Portal.
3. Once the job has been registered, you'll receive an automated email, asking you to answer a short questionnaire regarding your installation.
4. Once you've provided your feedback, you will be issued with a 10 Year Product Guarantee and an Essential Maintenance Guide providing you with helpful tips on how to look after your new outside space.

If you didn't provide an email address upon registration, you will be contacted directly by Brett to run through the above steps and claim your 10 Year Product Guarantee. If you've not received the above within 2 weeks of your installation being completed, please contact your Brett Approved Installer.

In the meantime you can visit our useful Info Hub at brettlandscaping.co.uk and download a copy of our Essential Maintenance Guide.
